Policy Case Writing I(GP) City Diplomacy	前期			上久保 誠人
授業の概要				
<p>The title of this Policy Case Writing is “City Diplomacy”. This course focuses on Japanese “City Diplomacy” which is conducted independently of national government. Students of this course select one particular case of “City Diplomacy”, conduct research of it, and develop their arguments. Finally, they write up an academic paper. Through this process, students can have an experience of research and writing an academic paper.</p>				
到達目標				
<p>This course aims to help students to learn how to research and write a documented research paper. This course is designed to study effective research skills; how to select and focus on a particular case; how to organise an academic paper; and how to make, support and document an argument. By the end of this course, students will have gained knowledge about how to:</p> <ul style="list-style-type: none"> - Select a particular case and construct a research question - Conduct research and produce a working bibliography - Write a research proposal - Make a working outline - Put the above process together and write a documented research paper
